

You are invited to our Mantua ES Back to School Event

Mark your calendars! We are so excited for you to join us for this exciting event on **August 27, 2018**. This year, following the model adopted by many FCPS schools, we are combining our Open House and Back to School events during a daytime event prior to the start of school. Under this new model, our students will explore their new classrooms and meet their teachers, and our parents will receive a curricular overview and explanation of student expectations for the school year.

Kindergarteners and their parents are invited to join us for an Open House on August 27.

- ✓ 10:50- Enter the gym through Door #5, Kindergarten class lists and room numbers will be posted in the gym
- ✓ 11:00-11:30 Open House in your child's classroom, children stay with parents in classroom.
- ✓ ****NOTE** Kindergarten will additionally hold a traditional Back To School "Night" event for parents from 6:30-7:15 on Thursday, September 13, 2018.**

For 1st – 6th grades this event combines two events and takes the place of our traditional evening Back To School Night (BTSN) – there will be no additional BTSN for grades 1-6. Please see the schedule on the back of this page for your assigned times and additional information.

We have purposefully staggered times for grade levels in order to ease parking congestion, class lists and room numbers will be posted in the Gym for each session at the time indicated – please do not arrive prior to your assigned grade level time expecting to see class lists as they will not be available. Please enter through the Gym (Door #5) to find grade level class assignments posted inside

During the First, Second, and Third Grade sessions we will have student focused activities led by our school specialists and instructional assistants for students in those grade levels.

Fourth, Fifth, and Sixth grade students are expected to remain with their parents in the classrooms for the Back To School presentations.

Please be on time for your session and make your way back to your cars immediately following your session, this will allow the next group to park and arrive on time as well. Teachers will only be available in their classrooms during their grade level designated times per the schedule attached.

We look forward to seeing you all on August 27 😊
